## How it works !

As part of our fund-raising drive we have set up a new 100 Club. This is a scheme which gives some regular income to the organisation, but also gives members a chance to win cash prizes.

Members pay £1 a month for a number which is then entered into the regular quarterly draw. 40% of the total will be paid in prizes and the remainder will help to boost our funds.

The draws will take place quarterly prior to appropriate committee meetings.

Members may buy as many numbers as they like, and obviously the more numbers you have the greater will be your chance of winning.

Payments should be made in CASH or Cheque (monthly, quarterly or annually), directly into the office or to your driver. Please ensure that all Cheques are made payable to **Tiverton & District CTA** (Regardless of which 100 Club you wish to join).

Draws take place quarterly at meetings of the committee, and the first prize will be 20% of the total amount in the fund, second will be 10% and there will be two prizes of 5%.

We hope that members of staff, voluntary car drivers, passengers and all who wish to support the vital work which we undertake will join our 100 Club to contribute to our much needed funds. Please encourage your family and friends to join.

2nd Prize = 10%  
3rd Prize = 5%  
4th Prize = 5%
