

Our Voluntary Car Scheme was set up in 1989 to provide lifts in cars for frail, elderly and people with disabilities who find public transport extremely difficult, either because they cannot walk to the bus stop or easily climb on or off the bus.

Transport is provided by volunteers using their own cars.

We endeavour to fulfil every request, however on the rare occasion we are unable to fulfil we will aim to give as much notice as possible.

Who Can use the scheme?

Frail , elderly, rurally isolated or people with a disability who find public transport difficult to use.

Passengers may bring a **Escort free of charge**
