

Can I travel with a wheelchair?

You can travel with a wheelchair in safety and comfort using tracking to secure them in place, but we do need you to tell us in advance the make & model of the chair in order that we can assess its suitability for travel on our minibuses.

Can I travel with an escort or companion?

You can bring a companion but they will have to pay the full fare. If you have an escort who pushes your wheelchair then they can travel for free.

About our minibuses

Our minibuses are fully accessible and either have ramps or lifts if you find steps difficult. The buses have plenty of room for shopping so don't worry if you have lots of bags or need to use a trolley or walker.
